MYSORE CITY ILPROVEMENT TRUST BOARD.

REPORT ON THE ADMINISTRATION OF THE MYSORE CITY IMPROVEMENT TRUST BOARD FOR THE YEAR 1942-1943

This Report is for the 40th year of the operations of the Board The President of the City Municipal Council - continued to be the Chairman of the City Improvement Trust Board as per Government Notification No.11265/M1 156-18-2 dated 4th March 1919

CHAPTER I - ADMINISTRATION

2 Chairman of the Trust Board:

Mr B S.Raghavendra Rao continued to be the Chairman of the Board throughout the year

3 Members constituting the Board:

The term of the Board as constituted in April 1941 expired in April 1943 and the Board was reconstituted as under for a further period of two years from 13th April 1943 vide Government Order No. L.10870/M.184-42-2 dated 10th May 1943

1 Siddiq-ul-mulk Mr Sadeg Z Shah, Huzur Secretary to His Highness the Maharaja of Mysore

2 Rev G W Sawday, K-i-H ,

3 The Superintending Engineer, Roads and Buildings, Mysore Circle, (Ex-Officio).

The City Municipal Council having elected Mr Mohammed Khalilullah, M A , LL.B., as Vice-President in place of Mr P. Seetharamiah, Mr Khalilullah became a Member of the Board by virtue of his office.

The following two members were elected by the Municipal Council to represent them in the Trust Board in place of Messrs.T Mariappa and S Linganna and this was approved by - Government in their Order No.L.11809/M1.184-42-2 dated 3rd June 1943 -

Messrs 1 M C Mallappa.
2 M S Nanjappa

Appendix 'A' gives the names of Trustees on the Board at the close of the year

4 Board Meetings:

Statement No 1 annexed shows the dates on which the Meetings were held and the number of Trustees present at each of them It will be seen therefrom that during the year under report 12 Ordinary Meetings and one Special and one Adjourned Meeting were held. The average attendance at the Meeting was 66 6 as against 74 3 and 77 3 during the years 1941-42 and 1940-41.

The total number of Meetings attended by each of the Members is noted in Appendix 'B'

CHAPTER II

5 Schemes relating to Acquisition of properties:

The following 23 schemes relating to the acquisition of properties were sanctioned by the Board during the year as against 16 in 1941-42 Owing to the very restricted Government Grant, many fresh schemes could not be taken up. Particular attention was paid to the completion of the schemes already sanctioned and in several stages of acquisition -

(1) Acquisition of properties Nos.445,446 and 447 (Plan No 56 & 57) in Block Nos 36-41 Nazarbad Mohalla, Mysore, for widening the Maszid Road.

(2) Acquisition of vacant land in Kannegowdanakoppal, Chamaraja Mohalla, Mysore, belonging to Marki Madegowda.

(3) Acquisition of Property Nos.502,502/1 & 502/2 in Block No 76, Fort Mohalla, Mysore, belonging to Messrs.Nanjundappa and Sons

(4) Acquisition of vacant land measuring 87' x 120' in Paduvarahalli Village, Mysore, belonging to Bore-Gowda

(5) Acquisition of Door No 826 & 828 of Chamaraja Mohalla, Mysore, for construction of Public Bath and Urinals.

(6) Acquisition of a portion of Property No.348 in Block No I Ediga Extension, Mandi Mohalla, Mysore, for the construction of a public Bath

(7) Acquisition of a portion of Property No 6 & 8 in Nazarbad Mohalla, belonging to Mr.Van Ingen

(8) Acquisition of Property No 2208 & 2209 in Sawday Road, Lashkar Mohalla, Mysore, for forming a road

behind Model Houses near Kantharaja Urs park, Mysore.

(9) Acquisition of properties Nos 1362,1363 & 1364 in Block No.48 Devaraja Mohalla, Mysore.

(10) Further acquisition of Soppinakola Garcen lands No (40/A0, 480,(40/B) 1481-82, (40/D) 1483 and 1385 to the west of Soppinakola Street in Block No 77, Krishnaraja Mohalla, Mysore

(11) Acquisition of Property No 1172, Bojjanna's Lane, Chamaraj Mohalla, Mysore (Block No 92)

(12) Acquisition of House No 307 in Block No 59/A, Thotadahatti Street, Krishnaraja Mohalla, Mysore

(13) Acquisition of Portions of properties Door Nos 1366 & 1367 in Block No 48, Devaraja Mohalla, Mysore

(14) Acquisition of property bearing Door No 609 in Block No 6[illegible] A, Krishnaraja Mohalla, Mysore

(15) Acquisition of a portion of Property No 1464 in Block No Kathwadipur Agrahar, Krishnaraja Mohalla, Mysore

(16) Acquisition of Survey land Nos.125/1, 19½ guntas, 125/2 19½ guntas, 125/3 39 guntas, and 125/4 1 acre of Paduvara halli Village, Mysore Taluk, for opening Adipumpa Road

(17) Acquisition of certain properties to the west of Devaraja Market for forming shop sites.

(18) Acquisition of land in Gowligara Street, Krishnaraja Mohalla, on which small temple dedicated to Sri Kasiviswara is put up.

(19) Acquisition of portions of properties belonging to The Mysore Chemicals and Fertilisers, Ltd ; 11 sq.yds; Mr H Devaraj Urs, 389 sq yds., Methodist Mission 160 sq.yds , and Mr C.Narasinga Rao, 9 sq.yds , for the formation of a foot-path or the Circle at the junction of Vanivilas Road Viceroy Road and Prince of Wales Road, Mysore.

(20) Acquisition of full property Door No 1398 in Block No 6 Lashkar Mohalla, belonging to Mrs Jeevarathnamma Oliver

(21) Acquisition of properties in Block No.45 & 46 in Devaraj Mohalla, Mysore, behind Parakalaswamy Mutt, for slum - clearance

(22) Acquisition of 1902 sq yds , of land out of the Toddyshc belonging to Nanjaraja Bahadur Choultry for the formatic of a New Road.

(23) Acquisition of vacant land measuring east to west 60' a North to south 68' plus 64/2 = 440 sq.yds , in Paduvara halli Village, Mysore, for improvement purposes (for fo tion of Road).

6 Schemes relating to construction works:

Eighty-one Estimates as detailed in Statement No I were passed by the Board during the year and of these 73 we sanctioned by Government and the remaining 8 were pending

sanction at the end of the year

7 Productive Works;

The construction of 6 model houses with terraced roofing at an estimated cost of Rs 15,600/- including the formation of the road, tunnel and the cost of acquisition of houses, in Bale Urs Laya which was under progress at the end of last year was completed during the year Due to the cost of water supply and electric materials having gone up and also on account of additional works being found necessary during execution and the actual cost of acquisition being more than what was provided for in the estimate, the estimate had to be revised to Rs 18,839/- and the revised estimate was ~~only~~ duly approved by the Board and has been submitted to Government for sanction In accordance with the previous understanding with the Palace, the houses were allotted to the employees of the Palace and the Teachers of the Sanskrit College at Rs.2,200/- each and the excess cost involved has been agreed to be met by the Trust Board In the case of five out of the 6 houses full payment of the value has been received and in the case of the remaining one house the amount has been partly paid The tunnel across the Doddakere feeder channel linking up the Chamaraja Road with Gurukar Devanna Street which is included in the estimate for the construction of the houses, has also been taken up and is now nearing completion

A large number of applications had been received for the allotment of the 6 big and 24 small houses along Ramanuja Road completed at the end of last year A Committee consisting of (1) The Health Officer, (2) The Trust Board Engineer (3) The Revenue Officer, (4) The Vice-President with the Manager of the Trust Board Office as Secretary was formed to consider the meritsof the several applicants and the houses were allotted to several officials of the Palace, the Municipality, the Trust

Board and other Departments of Government in accordance with the recommendation of the Committee, The cost of the big - houses was fixed up at Rs 1,600/- an that of the small houses at Rs 1,000/- each House purchase Advances were recommended to several Municipal employees to whom the houses had been - allotted so that they may be enabled to pay the full purchase value in one lump which would prevent the funds being unnecessarily locked up for several years as would be the case if instalments are allowed The house purchase advances have been since sanctioned Full value in respect of four small houses has already been paid

The concession of payment by monthly instalments will be allowed in respect of those that are unable to pay the full value in one lump.

The four model houses built to the west of Kantharaja Urs park out of the contribution paid by the Municipality for slum clearance were sold in public auction and a sum of Rs 6,840/- was realised thereby The Government have since ordered in Government Order No 6242-4/M1 82-443-82 dated 7th July 1943 that the above amount may be credited to the Municipal Model House Fund, a proforma account being however maintained to show the transactions of the Fund to be deposited in the Savings Bank - Account

Including the four model houses built out of the Municipal contribution, 40 houses were constructed during theyear

An estimate for Rs.25,200/- has been sanctioned by Government for building 12 houses along Ramanuja Road and the work - will be started early

CHAPTER -XXXX III

Part I - Land Acquisition

8 Land Acquisition Officer:

The Chairman of the Trust Board continued to be the Land Acquisition Officer and dealt with the entire acquisition work himself In the case of Agricultural Revenue Survey -

Nos however the Revenue Sub Division Officer was as usual the Land Acquisition Officer and dealt with those acquisition cases As already emphasised in the previous administration reports, it is very desirable that the acquisition of Revenue Survey Nos , is also entrusted to the - Chairman as it would save a lot of unnecessary correspondence and simplify the existing cumbersome procedure to be adopted when appeals are preferred A list of cases pending with the Revenue Sub Division Officer is detailed under Para 10

9 Properties declared by Government:

Forty-nine properties as under were newly declared by Government for acquisition during the current year

ties acquired under the provisions of the Land Acquisition Act:

The number of properties acquired during the year was 57 The figures for the last five years have been noted in the margin The figure for the year could not be more since

1941-42 ..	100) a number of cases relating to properties -
1940-41 ..	69)
1939-40	78) required for Krishnarajendra Hospital com-
1938-39 ..	52)
1937-38 .	27) pound could not be disposed of as the Grant

was not available. There were 99 cases pending disposal at the end of the year as against 148 during the previous year and their acquisition involves a sum of Rs.1,49,225-7-0

Acquisition of Agricultural lands done by the Revenue Department.-

The number of schemes pending with the Sub Division officer at the beginning of the year was 11 involving a sum of Rs.28,415/- and the number of sent to him during the year was 2 involving a sum of Rs.13,662-10-6 Besides this, a sum of Rs.28,574-15-6 was also sent to him in respect of schemes which were already pending with him. Two cases were partly disposed during the year by the Revenue Sub Division officer and the total number of schemes pending with him at the end of the year was 13 as detailed below:-

1) Acquisition of Survey No.36/2 of Srangere for forming sites
2) Acquisition of 1 acres and 10 guntas of land in S No.134 of Mysore Kasaba for forming sites in Block No.12 Chamundipuram
3) Acquisition of S Nos 111,112,& 113 of Mysore Kasaba for formation of sites for Bastars
4) Acquisition of S Nos 6 to 16, of Kukkarahalli village for extension of Saraswathipuram
5) Acquisition of S No.256 of Mysore Kasaba, for forming sites in Block No.9 Chamundi Extension
6) Acquisition of S Nos 133,121/1 and 122 of Maragowdanahalli for opening a new loop road to Bannimantap
7) Acquisition of S No.128 of Maragowdanahalli for Industrial Suburbs
8) Acquisition of Survey No 210 of Maragowdanahalli.
9) Acquisition of S.Nos.55,56,57 etc , of Mysore Kasaba, for improvement purposes.
10) Acquisition of S Nos 166,170 and 171 of Maragowdanahalli for forming sites to dishoused Medars.
11) Acquisitionof S.Nos 1,7,8,9 & 11 etc , of Paduvarahalli for extension of Kalidasa and Gokulam Roads.
12) Acquisition of properties by the side of Rajaram Agrahar
13) Acquisition of garden lands in S Nos.7,9,10,11,12 & 13 of Mysore Kasaba.

11 Acquisition by mutual agreement:

There was no case of acquisition by mutual agreement during the year.

12 Payment on account of properties acquired:

The payment made by the Trust Board on account of properties ~~was~~ acquired was Rs.99,827/- including a sum of Rs.42,237/-

paid to the Revenue Sub Division Officer for acquisition of survey lands Besides this a sum of Rs 3,338/- was paid out of contribution deposits.

13 Description of properties acquired

Of the 57 properties acquired during the year 4 were vacant lands and the remaining 53 were houses and other - structures

The important schemes of acquisition which were attended to during the year were as noted below:

1 Acquisition of properties for the extension of - Krishnarajendra Hospital compound and the formation of a road

The total cost of the scheme as sanctioned by Government is Rs 1,25,000/- out of which the cost of properties to - be acquired for the purpose of extending the compound is - 75,000/- As this sum of Rs 75,000/- was not made available to the Board either out of the medical budget or by means of a special grant as required by the Board, the acquisition of properties for extending the compound could not be proceeded with; out of the limited funds available to the Board during the year awards in respect of 5 properties amounting to - Rs 6,058/- were passed Twenty-three more properties remain to be acquired for formation of road and these will be completed during the year 1943-44 as necessary grant has been sanctioned The acquired properties have been demolished and - the road is being formed After this is completed, the new road linking Devaraja Market with Princess Road through Railway Underbridge will be opened to traffic

As stated above the acquisition of properties required for extending the compound had hitherto been held up for want of funds but the Government have in their Order No P W 1962-66 dated 4th September 1943 directed that the sum of Rs 75,000/- - required for the purpose may be made available from the Rs 5- grant of Rs.3 lakhs in the State Budget for 1943-44 under civil works This sum of Rs 75,000/- is now made available by the - Chief Engineer and the acquisition of properties for extending

the compound will be completed during 1943-44

2 Acquisition of properties in Kamegowdanakoppal:

The above acquisition work was completed except for two cases where awards are since ready The formation of roads, culverts etc., provided for in the acquisition estimate remains to be completed and readful provision has been made in the current year's Budget for the same Most of these acquired properties have been taken possession of and demolished

The work of formation of roads is in progress This has greatly opendd up this slum area and improved the sanitation of the locality.

The dishoused people of Kamegowdanakoppal have been allotted sites in Survey Nos.15 and 18 of the same village. This has been found insufficient and it is proposed to acquire the adjacent survey numbers also to form sites for dishoused people The new houses are not coming up as rapidly as one would wish on account of the high prices of the building materials With the disappearance of the abnormal conditions now prevailing an improvement in the situation will no doubt be brough about

3. Bestageri:

The acquisition of properties in Bestageri which was one of the worst slum areas in the City though situated in an important locality was completed during last year All the houses have been taken possession of and demolished The dishoused people have been allotted sites in New Bestageri in Chamundipuram along Ramanuja Road. The old Bestageri area is proposed to be laid out into sites for the construction of 6 model houses with a small park in the middle.

Besides the above important schemes, a sum of Rs.44,563 was spent for the acquisitions of a miscellaneous nature for

various important purposes and a further sum of Rs 42,237-10-0 was placed at the disposal of the Revenue Sub Division Officer for acquisition of Survey lands for the purpose of laying out further extensions and removing sources of insanitation and diseases in the City as detailed below -

1)	Garden lands in S Nos 6 to 16 of Kukkarahalli	Rs 18,245- 0-0
2)	Acquisition of properties by the side of Rajaram Agrahar.	" 4,978-11-3
3)	-do- of garden lands in S Nos 7,9,10,11,12 & 13 of Mysore Kasaba	" 8,683-15-3
4)	-do- of S lands in S Nos 166,170,171 of Marapowdanahalli	" 5,458-12-0
5)	-do- of S.Nos 11,12,13,14 & 15 of Erangere	" 4,871- 3-6
	Total	Rs 42,237-10-0

14 Reference to Court under Land Acquisition Act:

The following cases were referred to Court under section 30 of the Land Acquisition Act:-

1) Property No (241)2467 of Ranregowdanakoppal, Chamaraja Mohalla, vide Award No.3/42-43

2) Property No 59 to 62 in Block No.72, Fort Mohalla, Mysore, vide Award No.25/42-43.

3) Property No.(23) 1469 in Kathwadipur Agrahar, Krishnaraja Mohalla, Mysore, vide Award No.27/42-43

4) Property No (27) 1464 in Kathawadipur Agrahar, Krishnaraja Mohalla, Mysore, vide Award No 37/42-43

5) Property No.(18) 1461 in do. vide Award No.38/42-43

6) Property No.(260) 2030 in Block No.49, Devaraja Mohalla, Mysore, vide Award No.40/42-43

15 The following cases referred to Court under Section 18 of Land Acquisition Act were pending disposal at the end of the year:-

1) Acquisition of property No.(3) 178 in Block No.27 Lashkar Mohalla, Thunga Venkataramma Setty

2) Acquisition of Property No.(69) 1136 & 1012 in Block No.77 Krishnaraja Mohalla, belonging to A Basappa and others.

3) Acquisition of Property No.(8) 60 in Block No.54 Devaraja Mohalla, belonging to Mr N Thammiah & others

4) Acquisition of Property No.(285) 1357/1 in Block No 2 Lashkar Mohalla, Mysore, belonging to Mr Ahamed Sait and others.

5) Acquisition of Property No.1295 (Cauvery Rice Mills) belonging to Mr Sivaramiah and others in Seshanrayanakatte, Mysore.

6) Acquisition of Property No.(36) 1226 in Block No 33, Devaraja Mohalla belonging to Mr.Narayanappa.

7 Acquisition of Property belonging to Messers.M.R. Rama Rao and others in Block No.75 Fort Mohalla, Mysore

The following two fresh cases have been referred to the Court under Section 18 of the Land Acquisition Act.-

1) Acquisition of Property No.(245) 1776 in Block No.49 Devaraja Mohalla, Mysore, vide Award No.36/42-43

2) Acquisition of Property No.1436 in Block No.48 Devaraja Mohalla, Mysore, belonging to Messrs. M.C.Mahadevaiah and others vide Award No.36/42-43

Of the cases received decided, the following cases have been appealled against in the High Court of Mysore and are pending decision:-

1) Acquisition of property No (3) 188 in Block No.27 Lashkar Mohalla, Thurga Venkataramma Setty.

2) Acquisition of Property No(89) 1136 and 1512 in Block No.77, Krishnaraja Mohalla, Mysore, belonging to Mr F Dsouza.

3) Mis.96/40 on the File of the Additional Sub Judge, Mysore, registered as M.A.160/41 in the High Court The Chairman(through D.C) C.I T Board vs. Shamanna and others another.

PARA II - CONSTRUCTIONAL WORKS

16. Executive Control:

Mr B F Nicholson, B.E., Assistant Engineer was in charge of the construction works of the Board throughout the year.

17. Works attended to and expenditure incurred:-

Eighty-two works as detailed in Statement No.IV were in progress and the amount spent during the year was Rs.69,905/

18. Classification of Works:

Of the above 82 works 30 were incomplete works of the previous years and the remaining 52 were fresh works taken up during the year.

Particulars	Works		Expenditure		Total.
	New	Old	New	Old.	
1.Sewage & Drainage works.	13	11	11,492	5,518	17,010
2 Roads & Streets.	5	4	2,638	84	2,628
3.Public attraction.	15	3	15,349	153	15,502
4.Special works.	8	3	25,206	3,788	28,994
5.Misc.works.	11	9	3,204	2,572	5,776
Total.	52	30	57,790	12,115	69,905

19 House connections:-

The work of laying underground sewer lines and house connections to flush latrines was continued during the year the best part of work having been done in Lashkar Mohalla Only 248 underground sewage house connections were given - during the year against 566 in 1941-42 and 703 in 1939-40 The fall in the number was due to the difficult conditions created by the war viz , want of cement and building materials As the giving of underground connections to private house - was quite essential for the health of the City, the Chief - Engineer (Cement Controller) was addressed in the matter and he has since agreed to make the necessary quantity of cement for this purpose available A list of houses still to be - connected has been prepared and action has been taken to get these connected In this connection it may be stated that the Municipal Council had brought up a resolution as under:-

Deferred Resolution No 542

> Resolution tabled by Mr.S Lingappa, Municipal Councillor
>
> Resolved that the policy of insisting on the construction of flush latrines be suspended (for the present) owing to the difficulties and hardships that the rate payers are undergoing in these days of war.

After it was explained to them that in Mysore the free connections is being given by the Trust Board and that the cost of putting up the same is borne by the Trust Board and after -- it was also explained that the money spent on underground - drainage would be a waste unless prompt action was taken to see that the house connections were taken the resolution was withdrawn.

As in previous years the municipality has contributed - half the cost for the underground drainage in respect of the - estimate for laying 7" underground sewage lines in the other - half of Lashkar Mohalla for Rs 9,350/- They have also agreed to pay half the contribution in respect of the following works:-

1. Laying underground sewer lines in Edigs Extension. Rs.24,000/-
2. Laying underground drainage in Erragere " 30,500/-

In respect of the estimate for Rs.22,000/- for providing underground drainage to block No 4/A, Vanivilaspuram the Municipality has agreed to pay a contribution of Rs 8,000/- and a contribution of ¼ of the estimated cost of Rs.7,500/- has also been promised by them in respect of the work of providing underground drainage for the area to the east of Kaathiraja Tha Road behind Law-Courts.

Proposals to take up the underground drainage for the town:- Although it is now 31 years since detailed surveys were made and of the scheme for providing underground drainage for the entire City was taken up, only just more than half the City has been sewered so far. More than half of the Mandi and Lashkar Mohallas remain unsewered although this highly congested area requires the underground drainage scheme being completed immediately Several of the new extensions also, for instance Vontikoppal has no underground drainage In order therefore to take up and complete the entire underground drainage of the City including the extensions and all the unsewered areas, the Municipal Council have resolved that on account of the urgent need for the above, the Government may be approached to sanction the rough estimate of Rs.six lakhs and to meet this to give a sum of Rs.2 lakhs as an - outright grant and to request the Trust Board to give - another two lakhs of rupees from out of its funds, the - Municipality giving the balance of two lakhs from out of its funds.

They have also resolved that as the present Engineering Establishment in the Department is inadequate for pushing through this work rapidly Government may be requested to sanction a special establishment for this purpose The resolution of the Municipality is under the consideration of the Trust Board.

20 The stock registers were posted up-to-date

CHAPTER IV

PART I - PROPERTY

21 The properties that were acquired during the year were noted in the Trust Board Property Register maintained - for the purpose.

As observed in the last year's report it is essential that the properties are inspected at least once a year to ensure that none of them continues in the possession of the - original owner

22 Building Sites:

Statement No. VI furnishes details of the sites available for sale at the beginning of the year under report, sites formed during the year, sites sold and those available for - sale at the end of the year.

It will be seen therefrom that 918 sites were available at the beginning of the year and 124 sites were formed during the year thus making a total of 1042 Eight sites previously sold were resumed for various reasons and thus the total number of sites available for sale was 1,050 out of which 196 sites were sold leaving a balance of 854 sites at the end of the year

The areas in which these fresh sites were formed is noted below:-

(a) 98 sites in Medars Block between Purniah's Nala and Railway line.

(b) 3 sitesin Weavers' Lines

(c) 18 sites in Karonatty Road.

(d) One site in Vontikoppal Village.

(e) 4 sites in Krishnaraja Mohalla.

One hundred and ninety six sites were sold during the year for a total sum of Rs 1,32,082/- including the instalments due in the year in respect of sites sold during previous years A sum of Rs.1,05,639-14-8 was realised during

the year

In addition to these, 27 sites are now formed in Model Houses and Agricultural Block, Narasimharaja Mohalla and are proposed to be given to men and officers of III Infantry and Mysore Horse

Fourteen sites have also been formed in Kesare Block for Ganigars who are living in rented houses. 20 sites have also been formed in Block IV/A, Vanivilaspuram and are already for sale It is proposed to give most of these sites to the House Building Co-operative Society

As all the sites in the Industrial Suburbs in Ediga - were allotted and there was still demand by the owners of the several small factories, the lay-out of a new Industrial - Suburb in the area to the north of Yelwal Road has been sanctioned The lay-out has been planned to provide sites for - housing officers, officials and labourers attached to the - factories also,

The sites in Vanivilaspuram having all been disposed off it was found necessary to open a fresh lay-out between Padavarahalli and New Industrial Suburbs as there was a great demand for houses in this area and the house owners had begun to sub-let houses in the rear of buildings A number of applications have been already received for these sites

There is always a great demand for sites in Yadavagiri Extension on account of its elevated location As all the old sites had been disposed off, a new lay-out has been sanctioned and there are a number of applications for sites alrea received These sites are located on Survey lands of Paduva halli, Vijaya Sree Pura and Maragowdananalli The Revenue - Sub Division Officer has been requested to expedite the acqui sition of these lands and to hand over possession pending re gular acquisition, in order that the demand for house buildi and factory sites may be met immediately

Resumption of sites:- As explained in the previous

Administration Report it is very necessary to enforce the rule regarding the resumption of sites by the Board in the case of failure on the part of purchasers to construct buildings according to the plan approved by the Municipality or the Trust Board in order to prevent profiteering and to remove congestion in the City Accordingly 16 sites which had been previously sold were resumed by the Board owing to the failure on the part of the purchasers to build upon them However 8 of such sites were restored to the original owners on payment of penalty Due however to the abnormal prices of all building materials now prevailing in the market, the Board thought it would rather be hard on the purchasers if the condition of constructing buildings was insisted upon too strictly and they accordingly passed the following resolution at the Meeting held on 30th March 1943

> Subject No 231:- Office Note re: not to enforce the condition of putting up buildings on sites sold by the Board after October 1942 till the present war is over and 6 months there after
>
> Each case may be considered on its merits and the grant of time in deserving cases may be left to the decision of the Chairman.

23 Bits of land:

Statement No VII furnishes details of bits of land available, formed and sold and the amount of Revenue therefrom In addition to 180 bits of land available for sale at the beginning of the year 14 new bits were formed during the year And out of the total of 194 bits 27 were sold for a total sum of Rs 5,516-12-0 At the end of the year 167 bits were available for sale The amount outstanding in respect of bits of land sold at the end of the year was 1721 which has been permitted to be paid in monthly instalments

24 The outstandings in respect of model houses in the Extensions are given below:-

(a) Gokulam houses	-	Rs	10,434	8	3
(b) Narasimharajapuram.	-		109	12	0

This is due from one Mr.Muniswamy in respect of house No 31, 'B' Type in Military Block It is stated that the person has

gone on active service and the matter is under correspondence

(c) Fort Mohalla Rs 10,000-13-9

This amount is being recovered regularly in instalments from the purchasers of model houses

25 By the sale of dismantled materials, a sum of - Rs.2,409/- was realised during the year A sum of Rs 83/- was also realised by the sale of rights of removing usufruct of - trees belonging to the Trust Board

26 As per Resolution No 82 dated 30th September 1942 bits of land No.63/B, measuring 160' x 30' = 533 1/3 sq yds , was granted to the president of the Parankusha Seva Samathi, Vanivilaspuram in addition to the land already granted to them and an agreement to the effect that the building should be - used for bonafide public purposes only was entered into

PART II - FINANCE

27 The original grant given by the Government to the Trust Board was Rs.75,000/- An additional grant of Rs 18,000/- was sanctioned vide G O No L 10016-9/41 49-42-16 dated 8th - April 1943 for improvements to Parmi Mantap Road Thus the total State Grant was Rs 93,000/-

Statement No VIII furnishes details of Receipts and Expenditure under the several heads The year opened with an opening balance of Rs 62,499/- and the receipts from all sources including those under suspense accounts and the Palace Building and Narasimharaja Building Funds, amounted to Rs 3,68,380/- thus making a total of Rs 4,30,879/- The total expenditure under all heads amounted to Rs 3,76,464/- and the closing - balance was Rs 54,415/-

28 <u>House Building Loans:</u>

Statement No X furnishes details of outstanding under this head No loans were granted during the year under report The sum of Rs 90/- is at present due from 2 people and

action is being taken against them for recovery

29 House Building Advances:-

No advances were made during the year Statement No XI furnishes details of advances and recovery effected. The balance is due from Mr Mohamed Ghouse a former Subover-seer of this office who is now in Mysore Division, and the monthly instalments are being paid.

30. The total amount of outstandings to the Board on 30th June 1943 was Rs 58,522-9-0 as against Rs.37,608-11-10 at the end of 1941-42

A	Loans and Advances		Rs.	90	0 0)
				286	3 5)
B	Value of sites sold:-	Building sites		34,879	15 3
		Bits of land		1,721	3 6
		Model houses		11,010	10 11
		Total	Rs.	47,611	12 4
C	Gokulam Houses		Rs.	10,434	8 3
	Total of A B & C		Rs	58,522	9 0

All these as noted above, except a sum of Rs.199-12-10 in respect of which separate action is taken are being recovered regularly.

31 The establishment charges viz , salaries and allowances including pensions and contingent charges etc., amounted to Rs 27,963/- as against Rs 31,103/- during 1941-42 This included a sum of Rs.1,000/- being arears of the moiety of the salary of the Chairman and Engineer which was paid to Municipality.

32 Both the indoor and outdoor Subordinates continued to work satisfactorily

GENERAL.

(a) Improving roads and circles:

The improvement of the New Nanni Mantap Road at an estimated cost of Rs.18,000/- to make it ready for the Dasara Procession was taken up and completed on an urgent

basis and the Government sanctioned a Special Grant of Rs.18,000 for the work. The road was widened and the foot-paths were formed A good portion of the road has also been metalled. Avenue plants have been planted along the road and electric lights installed. This road has now become a very important approach road to Mysore for those coming from Bangalore

(b) N.Madhava Rao's Circle:

The Circle in front of Vanivilas Market was further improved during the year by acquiring the house of Messrs.Nanjundappa and Sons. The vacant areas were sold to the parties who undertook to construct a neat buildings in keeping with the market buildings and Co-operative Society building opposite to them One building is completed and the other is coming up rapidly.

(c) New Santhepet and Filling up of Poornaiah's Kola:

The work of filling up of Poornaiah's Nala with Railway cinders and street rubbish was continued during the year with intensity and the area in front of the Deaf and Dumb Institute was completely filled up and formed The area in front of New Santhepet was terraced and a portion of the proposed double road was formed The double road in front of the New Santepet will greatly help traffic as one of the roads can be reserved for fast traffic while the one by the side of the buildings could be used by the carts that bring grain and other articles to Santhepet and the blocking of the through traffic by the bullock carts thus avoided.

(d) New Bamboo Bazaar:

It is a matter for gratification that the Merchants of the Old Bamboo Bazaar who were hesitating to shift to the New Bamboo Bazaar all these years, completely shifted to the new locality during the year under report. At their request a cart-stand with water tap has been formed and the road in front metalled. Drains have been constructed and lights provided. Sites were also formed in the rear of the New Bamboo Bazaar for the Medars and Sawers, who work in the area. Most

of the sites have been since allott d to these people and - they have since paid the amounts The creation of these - facilities and the acquisition of their houses in the Old Bamboo Bazaar induced the merchants to shift their shops to the new locality

(e) Forming a road between the Dewan's Road and Viceroy's Road:

This road work which had been held up for some time on account of the delay in shifting the toddy shop was taken up and completed except for metalling. The toddy shop attached to Nerjaraja Pahadur Choultry has been shifted towards the - south allowing enough space for lay-out of this road including foot-path. This road connects the Railway Under-bridge with the road newly laid-out by the side of the Hospital and will be very useful for cart and lorry traffic between these areas and the Devaraja Market and Sayaji Rao Road. As this road runs in Old Devanraja Kaluve, this necessitated heavy - earth work The earth required for the r has been got - by levelling the bed of the drain running in Jeevenrajanakatte and dismantling the old ugly mounds of Cauvery Rice - Mill area The formation of the road besides affording a short cut to the market, considerably tidied up the area in front of Exhibition Buildings The metalling of this road will be taken up after the embankment gets settled down during rainy season

(f) Swimming Pond:- For want of a good Swimming Pond in the Mysore City the student population were feeling a great handicap A Swimming Pond on up-to-date lines could not be - taken up for want of funds, but in order to provide as many - amenities of a modern swimming pool as possible, proposals to improve the existing Swimming Pond behind Kukkarahalli Tank so as to suit modern requirements were investigated and accordingly an estimate was prepared and got sanctioned, the Municipality and Trust Board each paying half the cost for constructing a Swimming Pond with masonry walls all round and drainage -

arrangement using the seepage water coming from Kukkarahalli tank supplemented by raw water from the Filters being used for replenishment.

(g) Draining Swampy areas:

The anti-malarial work of draining the areas in every part of the Town where the ground is low and swampy such as the low-lying area behind Kukkarahalli tank, valleys near -- Gokulam Houses in Vontikoppal, Doddakere maidan etc , is making steady progress

(1) The area behind Kukkarahalli tank which used to be overgrown with weeds and absolutely swampy was the cause for breeding mosquitoes and was a nuisance to the Professors' - quarters and Saraswatipuram It has now been drained off - and has ceased to be a nuisance The Dhoby Ghat and the - ponds have been improved and all big ugly pools filled up.

(2) Doddakere Maidan: The area in front of the Zoo-Garden and by the side of the bund was another place where - there used to be a number of pits and marshes This area has been levelled up by pits being filled in and mounds cut.

(3) The low lying areas by the side of cremation ground was another such area and this has also been properly drained off.

(4) In Vontikoppal the valleys near Gokulam houses were a great nuisance to the locality as a number of small pits all over these valleys were always full of water and constituted fruitful breeding places for mosquitoes Here also pits were filled up drains excavated uneven ground levelled up, thick weeds and course grass removed and stagnant water drained off by constructing revetted drains or turfed channels

(h) Block Plan Surveys of the City of Mysore:

The sanction for the establishment consisting of four Surveyors employed on the Block plan Surveys of the City of Mysore expired at the end of February 1943 As the survey work was not completed by then further sanction of Governm

was obtained to continue the establishment till the end of June 1943 All the 99 old blocks of the City were resurveyed and out of the 36 new blocks of extensions the survey of 23 was completed Eleven blocks of extensions comprising an area of 3/4 square mile remained to be surveyed at the end of the year Further sanction of Government for the continuance of the establishment for a period of 3/more months i e , till the end of September 1943 was since obtained Proposals have also been submitted to Government for preparing a combined City Map by reducing the scale of the map from 66' to 1" to 330' to 1" at a cost of Rs 1,170/- and sanction is awaited therefor.

As per survey now conducted there appears to be a few cases of encroachments of areas belonging to the Trust Board The question of having a special staff consisting of an Overseer and two Surveyors for preparing a Register of Trust Board properties to recover the cost of unobjectionable encroachments from persons that have encroached is under investigation

(i) Publishing a resume of works done by the Board for the last 40 years:

Government in their letter No L 4471 dated 31st October 1942 forwarded an extract of the promise made by them at the Meeting of the Budget Session of the Legislative Council held in June-July 1942 re the question of preparing a resume of the works done by the City Improvement Trust Board for the last 40 years and requested the Board to prepare and submit to Government a resume At their Meeting held on 27th January 1943 the Board agreed that a consolidated review of the work done by the Board would certainly be a very valuable record and it would be a very good thing to have such a resume and the consolidated improvement works executed by the Board during the last 40 years and felt that it would also serve to enlighten the public regarding the improvements effected by the Board and

and also illustrate in what condition the City of Mysore was when the epidemic of plague first broke out in the City in a virulent form in the year 1898 and how the improvements effected for the last 40 years have helped to put down the serious out-break of any epidemic including plague In order to prepare a comprehensive report of the type the Government have in view, the Board felt that the existing staff was quite inadequate and that it was necessary that one of the retired engineering officers with previous experience of the Board works and an intimate knowledge of the City should be placed on special duty on an honorarium being paid to him and a small staff also given to him and that he be directed to prepare a comprehensive survey of the work done till now and that remaining to be done and that all plans prepared relating to the schemes for the improvements of the City may be got arranged, sorted and indexed and that an up-to-date verified statement of Trust properties also prepared The Government sanctioned the establishment costing Rs 2,200/- in their Order No I 10066-6/M1 129-42-6 dated 10th April 1943 As the Engineering Officers (since retired) who were conversant with the work of the Trust Board declined to accept the offer this question was reconsidered by the Board and modified proposals were submitted to Government and the matter is under correspondence

SPECIAL SCHEMES UNDER CONSIDERATION:

1) Forming a square opposite Motilal Talkies:- This work is being referred to in all previous reports as an important work to be undertaken by the Board with a view to improve the surroundings near Vanivilas Market and Krishnaraja Police Station The acquisition of the properties is estimated to cost about Rs.30,000/- A sum of Rs.10,000/- has been allotted to this work in the Budget for 1943-44 to enable the Board to make a beginning Recently the acquisition of a set of houses which form a portion of the scheme was sanctioned by the Board. The acquisition statements for other portions are being pre-

24

2) Continuing the road by the side of Elgin Fountain right up to the Viceroy's Road:- This is a very important work which when completed will open up one of the worst slum areas in the City and is estimated to cost six lakhs of rupees Recently some of the Merchants of Mysore have come forward with a proposal to meet the entire cost of the scheme provided they are given sites in the area to put up decent buildings according to the plans approved by the Board so that the road may be an ornament to the City of Mysore and a model to the other Cities in India. The plans prepared by Mr Trumbiegal were recently -- placed before the Board and the matter has been referred to - Municipal Council for opinion If the scheme is to be - carried out expeditiously and at a minimum cost a special - staff will be necessary Detailed proposals in the matter are being worked out The whole scheme is expected to be self-supporting and willM not involve any financial burden on the Trust Board while it will open out one of the worst congested areas of the City and will also create a much -- needed main thorough-fare and Bazaar street for the City

3) The Annesorote Road to the west of Devaraja Market was an eye-sore and used to be always dirty and insanitary To improve the area it was proposed to acquire the old and ricketty buildings on this road, widen the road and arrange for the construction of a row of shops similar to the one - on the Sayaji Rao Road The scheme is estimated to cost - more than Rs.78,000/- out of which it is anticipated that a good portion can be realised by the sale of sites In order to make a beginning a sum of Rs.15,000/- has been provided for in the Budget of the Board for the year 1943-44 and the -- acquisition of properties in this area will be taken up - immediately

CONCLUSION:

In concluding the report I wish to offer my grateful - thanks to the Members of the Trust Board for their unfailing

help and assistance at every stage of the development and execution of the several improvement schemes and in all the various activities of the Board. Our thanks are also due to Mr Krumbiegal the Consulting Architect whose valuable experience in the field of Town Planning and Improvement has always been unstintingly placed at the disposal of the Board whenever required. Thanks are also due to the Government Architect for his ready response for purposes of consultations.

I wish also to acknowledge with thanks the loyal services rendered by the officers and staff of the Board.

Chairman

Report on the Administration of the Mysore City Improvement Trust Board for the year 1942-43, received from the Chairman with his letter No Al C-451/43-44, dated 3rd January 1944

ORDER NO L 1470-5/ML109-43-9
Dated, Bangalore, the 10/8/44

Recorded

2 Constitution. The Board was reconstituted for a period of 2 years from 13th April 1943, Mr B S Raghavendra Rao continued to be the Chairman throughout the year

3 Meetings The Board held 12 ordinary meetings, one special meeting and one adjoured meeting The average attendance at the meetings was 66 6(74 3)

4 Finance The receipts during the year including the opening balance and the Government grant of Rs 93,000/- amounted to Rs 4,30,879 (Rs 3,77,435) The expenditure was Rs 3,76,464 as detailed below (Rs 3,14,936) leaving a closing balance of Rs 54,415 —

	Rs
1 Acquisition of properties	99,827
2 Construction of drains and other works	69,905
3 Repayment of loans and contributions	13,870
4 Establishment charges	27,963
5 Suspense Accounts	1, 29,978
6 Narasimharaja and Palace Building Funds	12,503

5 Acquisition Forty nine new schemes

relating to acquisition of properties were sanctioned The number of properties acquired during the year was 57 and 99 cases were pending at the close of the year against 148 pending at the close of the previous year In addition to 11 cases of acquisition of agricultural land referred to the Revenue Department and pending at the beginning of the year, two more were referred during the year bringing the total to 13. Of these, only 2 cases were partly disposed of during the year The Deputy Commissioner, Mysore District, is requested to see that all these cases are disposed of quickly ~~There were no cases of acquisition by mutual agreement~~ The amount of compensation paid from the Trust Board Funds on account of the properties acquired was Rs 99,827, in addition to a sum of Rs 3,378/- paid out of the contribution deposits

6 Construction Works. Eighty two construction and other works were in progress during the year, the amount spent on them being Rs 69,905/- 40 houses were constructed and disposed of A total of 248 free house sewage connections were given against 565 during the previous year, the fall in the number being due to the difficult conditions created by the War, viz want of cement and building materials

7 G E N E R A L Works relating to the filling up of the Purniah's nala and the formation of the double roads in the New Sarthepet were under - execution The merchants of the Old Bamboo Bazaar have all shifted to the new Bamboo Bazaar and a cart stand with water tap has been formed ~~and the road has been formed~~ and the road in front metalled and necessary drains have been constructed and lights provided The new Bannimantap road was improved at a cost of Rs ~~1,80,000~~/- 18,000/-

A road was formed between the Dewan's Ro and the Viceroy's road Other important chemes engaging the attention of the Board are (1) the formation of a circle opposite the Motilal Talkies, (2) Formation of a road behind the K R Hospital compound, and (3) the improvement of the Anekal/Hote road to the west of the Devaraj Market and (4) the formation of the road by the side of the Elgin Fountain right up to the Viceroy's road, at an estimated cost of six lakhs of rupees Block plan surveys of the City were conducted by a special establishment sanctioned therefor A resume of work do by the Board for the last 40 years is als under preparation Slum clearance work is being continued and in order to meet the demand for housing accommodation, new extensions in the Padavarahalli and Yadav giri villages are being laid out
